GENERAL MOTORS CORP., et al.,

Case No. 09-50026 (REG)

Debtors.

(Jointly Administered)

OBJECTION TO PROPOSED ASSUMPTION OF EXECUTORY CONTRACT

Comes now United REMC, by counsel, and for its Objection To Proposed Assumption Of Executory Contract ("Objection"), respectfully represents that:

1. United REMC is a party to an executory contract with General Motors ("GM"), pursuant to which electric power is provided to a GM plant in Allen County, Indiana.
2. United REMC received a copy of the Notice Of (I) Debtors' Intent To Assume And Assign Certain Executory Contracts, Unexpired Leases Of Personal Property, And Unexpired Leases Of Nonresidential Real Property And (II) Cure Amounts Related Thereto (the "Notice"). Pursuant to the Notice, any "Contract Objection" must be filed by June 15, 2009.
3. On information and belief, GM intends to assume and assign its power contract with United REMC. Pursuant to 11 U.S.C. §365, the contract cannot be assumed/assigned unless all pre-petition defaults are timely cured. GM failed to pay the last pre-petition invoice for electric power delivered in May 2009, and the amount of such invoice is \$380,839.37. The

power contract with United REMC cannot be assumed/assigned unless the May 2009 invoice is paid in full.

4. The Notice directs parties to executory contracts to examine the Contract Website to determine the proposed Cure Amount for any particular executory contract. As of June 12, 2009, the Contract Website does not list any Cure Amount for the power contract with United REMC. Accordingly, United REMC has no alternative but to file this Objection.

5. United REMC objects to the proposed assumption/assignment of its power contract with General Motors unless the full Cure Amount in the sum of \$380,839.37 is timely paid as a condition precedent to the assumption/assignment of such contract.

WHEREFORE, United REMC respectfully requests that the Court condition any assumption/assignment of its power contract with General Motors on the timely payment of a Cure Amount in the sum of \$380,839.37, and grant such other and further relief as is just and proper.

Respectfully submitted,

UNITED REMC
